“Be the Change We want to See in the World” Ghandi Quote

Recovery, Change, Healing, Our Community

Coming together is the true spirit of Communities working together to Heal and Change. This is also a testament of the Mission Statements of all our Clubs and our members. There is a “Cause” a reason to address social concern in the world today and I am honored to be amongst a group of service clubs that say....”How can we help?. How can we be supportive? And we DO IT! Be that change we want to see in our communities!

I leave you with this quote:

1. The version found written on the wall in Mother Teresa's home for children in Calcutta.

I share the last four verses

If you find serenity and happiness, some may be jealous. Be happy anyway.

The good you do today, will often be forgotten. Do good anyway.

Give the best you have, and it will never be enough. Give your best anyway.

In the final analysis, it is between you and God. It was never between you and them anyway.

FOR IMMEDIATE RELEASE

The Presidents Club of Dayton honors Roy Chew with top volunteer award

DAYTON, Ohio – The Presidents Club of Dayton has announced that Dr. Roy G. Chew is the 69th recipient of the region's 2019 Citizen Legion of Honor award. The award, given every year since 1951, is the oldest, most continuous and prestigious recognition of volunteer servant leadership in the Dayton region.

Roy Chew is the now retired president of Kettering Health Network and is a well-respected leader in the Dayton region. Dr. Chew began his career at Kettering Medical Center in 1976. He quickly rose through the ranks and took on the role of president of Grandview Medical Center, then later, Kettering Medical Center. During that time, Dr. Chew initiated the development of a Level II Trauma Center, a Level III Newborn Intensive Care Unit, a Neuro Rehabilitation and Balance Center, and a Service Line growth strategy. Dr. Chew also developed plans for a new Kettering Cancer Center across the street from Kettering Medical Center and helped to secure major gifts to support construction.

While Dr. Chew has left a lasting impression on Kettering Health Network, he has also given back to the Dayton community, never shying away from an opportunity to serve. He's held positions on the Workforce Policy Board for Montgomery County, the Oikos Community Development Corporation Board, the Grafton Hills Neighborhood Association and Dayton Art Institute Community Development Board, the Greater Dayton Area Hospital Association Board, the Dayton Area Chamber of Commerce Board, the Community Health Centers of Greater Dayton Board, the Miami Valley Council Boy Scouts of America Board, the Montgomery County Five-Year Financial Planning Committee and more. Dr. Chew has also been a long-time member of the Rotary Club of Dayton and Kettering Kiwanis, and is a Leadership Dayton alum.

Dr. Chew's passion is healthcare, and as such, he's devoted time and effort to non-profits working to raise awareness and research funds. Dr. Chew has held volunteer leadership positions for the American Heart Association's Heart Walk Campaign, the Walk to Cure Diabetes Campaign, and the Alzheimer's Walk Campaign. He's also served as chair for the United Way of the Greater Dayton Area's Healthcare Division.

Dr. Chew is also an active member of the Kettering Seventh Day Adventist Church, serving as Deacon for 15 years, and an Elder since 2005. He and his wife Shelley have two sons, Gregory and Alexander, and three grandchildren.

The Presidents Club of Dayton is honored to recognize Dr. Roy Chew at its annual luncheon event on Thursday, October 3, 2019 at the Dayton Convention Center from 10:30 a.m. to 1:15 p.m. Sponsorships and tables are available to honor Dr. Chew by contacting Marcia Bostick at 937-226-8225 or emailing at mbostick@dacc.org. The proceeds from this event go toward sustaining The Presidents Club scholarships at Sinclair Community College for active student volunteer leaders in our community.

The Presidents Club of Dayton was founded in 1932 by a group of local business leaders who sought to support and stimulate volunteer servant leadership in the Miami Valley through citizens' active participation in service clubs, churches, schools, non-profit organizations and government. The organization's leadership and work of advocating and championing volunteer community service have continued without interruption for more than 80 years.

Organization Speaker Programs - Community Information Leaders

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time in order to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government and education in our community.
