Embrace the New Year with Resolutions, Positive Affirmations, and Servant Leadership!

Happy New Year! As we usher in 2024, we find ourselves standing at the threshold of new opportunities, growth, and success. The dawn of a new year is a perfect time to reflect on the past, set resolutions for the future, and embrace a mindset of positivity and servant leadership.

I want to take a moment to acknowledge and celebrate the accomplishments and milestones we achieved together in 2023. We had a record number attend and participate in our Outstanding Community Volunteer Breakfast, we raised money for The Bob Chiles Golf Outing and had a fun time. This event supports and benefits *The Fisher/Nightingale Houses, Inc. (FNHI)* and the *Greater Dayton-area Fisher Houses*. Our Citizen Legion of Honor Luncheon was successful as we honored Cassie Barlow and scholarship recipients at Sinclair College. With your dedication, resilience, and hard work, we will continue to move forward as a united front to keep the Presidents Club of Dayton legacy alive.

As we embark on 2024, consider setting personal and professional resolutions that align with our collective goals. Resolutions are not just about making promises to ourselves; they are commitments to continuous improvement and excellence. Whether it is enhancing your skills, fostering teamwork, or contributing to our community, let us strive for greatness in every aspect of our lives.

The power of **positive thinking** cannot be overstated. This year, let us adopt a mindset of optimism and gratitude. Start each day with positive affirmations that reinforce your capabilities and affirm the potential for success. Together, we can create an environment that nurtures positivity and empowers each member of our organizations to thrive.

At the heart of our success lies the principle of servant leadership. As we move forward, let us renew our commitment to serving others, fostering collaboration, and putting the needs of our membership and communities before our own. By empowering and supporting one another, we strengthen our bonds and create a workplace/club culture that inspires greatness.

We have exciting events and initiatives designed to support your personal and professional growth. From skill-building workshops to team-building activities, we're committed to providing opportunities that enhance your journey with us. As we navigate the year ahead, let's do so with determination, kindness, and a shared vision for success. Remember, each one of you plays a vital role in our collective journey, and together, we can make 2024 a year of unprecedented achievements.

Wishing you a year filled with joy, growth, and success!

How can *YOU* help preserve our veteran's history?

Each day more and more of our veterans are passing away. The last veteran from World War I passed away in February 2011; our World War II veterans are dying at the rate of approximately 1,000 a day. For many younger people, conflicts as recent as Vietnam seem to be "old war movies". Unfortunately, many times when a veteran dies all of his or her history dies with them - we want to bring to life the stories of our veterans and provide a tangible link to them.

Donations ensure our continued growth, and preservation of our veteran's stories.

What types of things can you donate?

- Uniforms
- Insignias
- Medals
- Photographs
- Captured enemy trophies.
- Anything that will help tell our veteran's stories, especially those from Ohio.

(All donors are credited on the museum's web site.) [Miami Valley Military History Museum \(mvmhm.com\)](http://mvmhm.com)

Nothing is too small or insignificant. We are a 501c3 tax-exempt organization and donations are tax deductible to the limit allowed by the Internal Revenue Service.

We can also use items that you feel may be too damaged or worn to restore. Artifacts may be used to support our educational programs such as Operation FOOTLOCKER (a virtual field trip) and the Speakers Bureau.

The Fisher/Nightingale Houses, Inc. (FNHI) is a 501(c)3 non-profit that supports the guests and operations of the three Greater Dayton-area Fisher Houses. The houses are compassionate care facilities that offer active military, Veterans, and their families housing at no cost during times of medical treatment. Some come for a day, some for a year, some return often for treatment for ongoing issues such as cancer care. The houses are fully stocked with everything that is needed, so the patients and families can focus on one thing, which is healing. We pride ourselves on being a "home away from home" that is tranquil. Community is also often built between the families in the houses as they can relate to others facing similar challenges, and life-long bonds have been forged as a result.

A gift to FNHI directly benefits the guests of our houses. We are proud of our 4-star rating with Charity Navigator, which is an organization that monitors and rates non-profits and their stewardship of donations. FNHI has earned and enjoys the top rating year over year.

There are many ways to support the Fisher/Nightingale Houses, Inc. We have volunteers that engage in many ways, from helping with fundraising events to operating our popcorn machine in the lobby of the Wright-Patterson AFB Medical Center. Monetary donations can be mailed to PO Box 33871, Wright-Patterson AFB, Ohio 45433; or donated on-line at www.fnhi.org; or presenting a check in-person. We love to give tours of our houses, so if you want to schedule a tour, simply contact Executive Director, Dr. Kimberly Luse at KLuse@fnhi.org, or 513-544-9408. Throughout the year, many local organizations also raise funds for FNHI through events such as golf outings, so you can get engaged there!

Save the Date! Our gala "Compassionate Care Heals" will be held on Saturday, May 18th, 6pm at Sinclair Conference Center. We will enjoy an engaging program, wonderful food and fellowship as well as a silent and live auction. Dan Edwards will be the Master of Ceremonies and Doug Sorrell will serve as the auctioneer. There is more information on the website. Registration will open after the New Year.

Please consider getting engaged with Fisher/Nightingale Houses, Inc. We serve those who have served us all.

The Dayton Arcade

Our Wednesday, February 21, 2024, meeting will be a 45-minute tour of the historic/renovated Dayton Arcade. The Arcade was first built in 1902 and was an important asset to the Dayton community. It served as a hub for shopping, dining, and entertainment. It was known for its distinctive architectural style, featuring elements of Beaux-Arts and Romanesque Revival design.

After years of disrepair, The Dayton Arcade has been renovated and comprises a series of interconnected buildings and has been transformed into a mixed-use development, combining residential spaces, offices, retail establishments, and community spaces. The Arcade management is making an exception and providing The Presidents Club of Dayton a tour of this magnificent Dayton Gem.

We will eat lunch at "Gather" restaurant at 37 W. 4th St, Dayton, Ohio 45402. Not to be rushed, please enjoy a meal around 11:00 a.m. Our tour will begin in the Arcade at 12:15 p.m. Please RSVP when you receive your EVITE, call me to confirm your attendance. NOTE: Gather restaurant is between N. Main St. and Ludlow St. on 4th St.

PARKING METERS Parking meters surround the Arcade block and are enforced from 8 a.m. to 6 p.m. Monday through Friday. They are free overnight on weeknights and all weekend. **PARKING GARAGES** There are numerous parking garages within walking distance of the Arcade with varying prices based on the length of time parked in the garage.

In Case You Missed It..... Last month we had a delightful conversation with Dr. David Wright from the University of Dayton about the April 8, Ohio's Total Solar Eclipse2024. Celebrate Black History Month, open your hearts and minds to the essential contributions that African slaves and their descendants made in making America the great country it is today. With my career in Real Estate and my husband a home builder, I would like to introduce you to Mr. Paul Williams (1894-1980), a prominent American architect who designed homes, and commercial buildings in Los Angeles, Arizona, Las Vegas, Palm Springs, New York, Washington D.C., and Tennessee. Williams is an example of what perseverance against all odds can do. He and his brother were orphaned when he was 4 years old. Many unproven stories of who raised the two brothers are unfounded. However, someone encouraged Paul Williams' love of art.

Paul Williams was known for his significant contributions to architecture, especially during the mid-20th century. He gained recognition for his work in designing luxurious homes for celebrities, including many in Hollywood specifically, Frank Sinatra, Lucille Ball. Notably, Williams was one of the few African American architects practicing during the era of racial segregation in the United States.

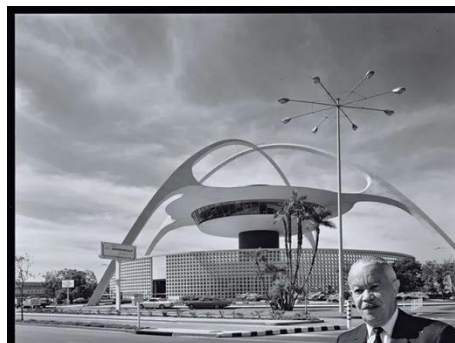

Some of his famous projects include the iconic Theme Building at Los Angeles International Airport (LAX), the first building at the airport designed for a specific purpose rather than as a terminal. The building that I frequented in Los Angeles that he designed is Saks Fifth Ave. on Wilshire Blvd. in Beverly Hills. Williams also designed numerous elegant residences, commercial buildings, and public institutions. His architectural style ranged from traditional to modern, and he was skilled in adapting his designs to the preferences of his clients.

Throughout his career, Paul Williams faced challenges due to racial discrimination, yet he persevered and left an indelible mark on American architecture. He graduated from USC in 1919, received his architectural license in 1921, started his own practice in 1922. He became the first African American member of the American Institute of Architects (AIA) in 1923 and later served as its national president. His legacy continues to be celebrated for his talent, innovation, and trailblazing achievements in the field of architecture.

The Fisher/Nightingale Houses, Inc. (FNHI) is a 501(c)3 non-profit that supports the guests and operations of the three Greater Dayton-area Fisher Houses. The houses are compassionate care facilities that offer active military, Veterans, and their families housing at no cost during times of medical treatment. Some come for a day, some for a year, some return often for treatment for ongoing issues such as cancer care. The houses are fully stocked with everything that is needed, so the patients and families can focus on one thing, which is healing. We pride ourselves on being a "home away from home" that is tranquil. Community is also often built between the families in the houses as they can relate to others facing similar challenges, and life-long bonds have been forged as a result.

A gift to FNHI directly benefits the guests of our houses. We are proud of our 4-star rating with Charity Navigator, which is an organization that monitors and rates non-profits and their stewardship of donations. FNHI has earned and enjoys the top rating year over year.

There are many ways to support the Fisher/Nightingale Houses, Inc. We have volunteers that engage in many ways, from helping with fundraising events to operating our popcorn machine in the lobby of the Wright-Patterson AFB Medical Center. Monetary donations can be mailed to PO Box 33871, Wright-Patterson AFB, Ohio 45433; or donated on-line at www.fnhi.org; or presenting a check in-person. We love to give tours of our houses, so if you want to schedule a tour, simply contact Executive Director, Dr. Kimberly Luse at KLuse@fnhi.org, or 513-544-9408. Throughout the year, many local organizations also raise funds for FNHI through events such as golf outings, so you can get engaged there!

Save the Date! Our gala "Compassionate Care Heals" will be held on Saturday, May 18th, 6pm at Sinclair Conference Center. We will enjoy an engaging program, wonderful food, and fellowship as well as a silent and live auction. Dan Edwards will be the Master of Ceremonies and Doug Sorrell will serve as the auctioneer. There is more information on the website. Registration will open after the New Year.

Please consider getting engaged with Fisher/Nightingale Houses, Inc. We serve those who have served us all.

January was very exciting for Greenebucs in Beavercreek! On January 27, the group spent the day building seven therapeutic tricycles and giving them away to very deserving children. It is always a joyful event to see the excitement when children receive the first bike that they can ride.

Each bike is built to fit each child and their abilities with adaptations that allow them to build on their abilities. The bikes will help the children develop their abilities and also allow them to join other children socially.

Thanks todonors.

BECOME A MEMBER IN 2024

All museums survive on donations, and we are no different. **Our success depends on you.** Without you, we would not be able to host speakers on Wednesdays; nor, would we be able to have our Memorial Weekend Military History Muster. We would not be able to participate in community events like the 4th of July Parade, the Sweetcorn Festival, etc.

We understand that things are financially tight right now, still we never want to forget our Veterans. Any amount you donate will help preserve the memory of those who fought and died for our great nation.

By becoming a Member of the museum you are adding your voice to others in saying how important the Miami Valley Military History

Museum is to the community of Fairborn and Greene County Ohio and the Miami Valley; you recognise what a valuable resource the Museum is in teaching our national military history. We have home school groups that have seen the benefit of looking at the "real thing" and the "neat stuff" people wore and used in the Civil War including cannon balls. We need your help to be here for generations to come.

We look forward to you visiting **YOUR** museum.

Our Citizen Legion of Honor Award is one of the most Prestigious Volunteer Awards in our community. We are donating four scholarships a year to Sinclair College each at \$3000 a year. Our current endowment for the four scholarships is self-sustaining to help maintain higher education for worthy students in our area who achieve high scholastics and volunteerism. The Presidents Club has raised over \$400,000 for Sinclair Scholarships because organizations like yours over the years with their \$100 membership fee, and fund-raising support have helped raised these monies.

May 9, 2024, The Breakfast Award Banquet Event is scheduled at the Presidential Banquet Center, and your organization can honor two persons to be appreciated at this banquet, preferably a member but also a volunteer in the community. Each Member Organization receives two free breakfast coupons, for their Nominees and/ or Club President.

Each member organization can nominate someone for the Citizen of Legion Honor Award to be held October 4, 2024, at the Dayton Convention Center. Each member organization will receive a nomination form to select someone and the

The deadline to submit this nomination is April 31, 2024, so get your dues paid for 2023 – 2024 and submit your organization's nomination when you receive the form. Banquet tickets for our members are priced \$10 lower than nonmembers and your organization is honored in the Citizen Legion of Honor Annual brochure.

Your organization will have a page in the Presidents Club Website. This is a great tool for promoting your organization to prospective members. Your organization's contact information and website link plus any marketing materials can be included on this website. Our webmaster does all the work that you submit to be included.

We try to secure excellent speaker programs and we share them with our members for their use. See excellent Program regarding Non-Profit Website Dayton Serves <https://youtu.be/nKWgyPPduiA>

The Fisher/Nightingale Houses, Inc. (FNHI) is a 501(c)3 non-profit that supports the guests and operations of the three Greater Dayton-area Fisher Houses. The houses are compassionate care facilities that offer active military, Veterans, and their families housing at no cost during times of medical treatment. Some come for a day, some for a year, some return often for treatment for ongoing issues such as cancer care. The houses are fully stocked with everything that is needed, so the patients and families can focus on one thing, which is healing. We pride ourselves on being a "home away from home" that is tranquil. Community is also often built between the families in the houses as they can relate to others facing similar challenges, and life-long bonds have been forged as a result.

A gift to FNHI directly benefits the guests of our houses. We are proud of our 4-star rating with Charity Navigator, which is an organization that monitors and rates non-profits and their stewardship of donations. FNHI has earned and enjoys the top rating year over year.

There are many ways to support the Fisher/Nightingale Houses, Inc. We have volunteers that engage in many ways, from helping with fundraising events to operating our popcorn machine in the lobby of the Wright-Patterson AFB Medical Center. Monetary donations can be mailed to PO Box 33871, Wright-Patterson AFB, Ohio 45433; or donated on-line at www.fnhi.org; or presenting a check in-person. We love to give tours of our houses, so if you want to schedule a tour, simply contact Executive Director, Dr. Kimberly Luse at KLuse@fnhi.org, or 513-544-9408. Throughout the year, many local organizations also raise funds for FNHI through events such as golf outings, so you can get engaged there!

Save the Date! Our gala "Compassionate Care Heals" will be held on Saturday, May 18th, 6pm at Sinclair Conference Center. We will enjoy an engaging program, wonderful food, and fellowship as well as a silent and live auction. Dan Edwards will be the Master of Ceremonies and Doug Sorrell will serve as the auctioneer. There is more information on the website. Registration will open after the New Year.

We Did

The 2024 Class “Outstanding Volunteer Breakfast Honorees!”

Our “Outstanding Volunteer Breakfast,” was Outstanding!!! The attendance was great, the Navy JROTC Color Guard was fantastic. Past-President, Khadijah Ali did two wonderful and meaningful prayers. She invoked the Koran, and the Holy Bible scriptures in both her Invocation and Benediction.

The food was fantastic, it was so 😊 good! John Zimmerman, VP of The Miami Valley Fair Housing Center gave an insightful reminder presentation. He reminded us of the responsibilities of our having a 501c3, and to remember the mission and vision of our organizations and why the federal government looked at our mission statements and approved our non-profit status because they felt that each of our organizations had a compelling interest to help achieve home rule. Or better said, we all meet an unmet mission or need in our communities. The ideal of liberty, equality, individualism, through fraternity, and sorority is exercised through charity. The class of 2024 was exceptional. The varied accomplishments and the duties that each honoree takes responsibility for makes one’s head spin. What high achievers! What I enjoy is seeing how each organization does their “little-big” part in the communities they serve and the collective of all of us has a major positive impact on our society. These heroes engage in every aspect of valuing life, in serving people, in encouraging people, supporting our children through numerous programming, preparing the incarcerated back into re-entry, serving the underserved, addressing health issues, meeting the needs of our counties and so much more. This is what makes us great. Congratulations to all of our honorees and also to you, the members that work tirelessly to contribute to the well-being of our communities. Salute!!! Thank you to our Board members who made this event so memorable. **“Teamwork makes the dream work!”**

IMPORTANT

Citizen Legion of Honor Recipient 2024

Dr. Tom Lasley

Dr. Thomas J. Lasley is a notable figure in the field of education, particularly recognized for his contributions to educational leadership and policy. Based in Dayton, Ohio, he has had a significant impact on educational practices and reform efforts both locally and nationally. Dr. Lasley is a Professor Emeritus at the University of Dayton, where he has also served as the Dean of the School of Education and Health Sciences. His tenure at the University of Dayton is marked by efforts to enhance teacher preparation and educational quality. His selfless vision to create a more equitable educational environment in our community is still utilized today. Look for more about Dr. Lasley in our upcoming Press Release.

As summer unfolds, we are excited to bring our community together for a special celebration of Juneteenth. This month, The Presidents Club of Dayton's monthly meeting is on June 19, better known as Juneteenth, also known as Freedom Day or Emancipation Day,

commemorating the announcement of the abolition of slavery in Texas on June 19, 1865. This day symbolizes the end of slavery in the United States and is a time to reflect on the struggles and achievements of African Americans throughout history. We have an enriching event planned that honors the historical significance of Juneteenth and features a distinguished guest **Author Kim Villalva author of "Lincoln: The Servant Leader!"** Her book provides a comprehensive look at the life and presidency of Abraham Lincoln, offering new perspectives on his role in shaping American history.

Kim Villalva is also a member of the Dayton Woman's Club and serves as First Vice President and facilitates their "Miss Manners Program." *We encourage all members and friends of our organization to attend this meaningful event.* RSVP on our EVITE Invitation.

Our own long-time member and treasurer **John Keller** will talk about the town he grew up in, Carthagena, Ohio. The village, located in Mercer County near Celina, was named for Cartagena, Spain and was once known as possibly the largest community of free African Americans in pre-Civil War Ohio.

Presidents Message

Happy 4th of July, also known as Independence Day, is a federal holiday in the United States that

commemorates the adoption of the Declaration of Independence on July 4, 1776. This historic document, primarily authored by Thomas Jefferson, announced *the thirteen American colonies' separation from British rule*, marking the birth of the United States of America.

July is the month of me and my husband's Birthday. It is a fantastic summer month that offers so many outdoor activities where we wear lots of sunscreen, focus on our hydration, and participate in all kinds of fun stuff. So, what should we do this summer? Attend the number one past time, baseball, enjoy summer music festivals, explore food festivals showcasing local and international cuisines. You could attend art and cultural festivals celebrating creativity and expression, explore scenic trails and national parks, relax by the sea, build sandcastles, and enjoy water sports. We can spend nights under the stars and days exploring nature or watch Wimbledon and enjoy the world's top tennis players, and if you like biking, Tour de France is a thrilling and iconic cycling race. There is so much to do in July. *Wishing you a fantastic July filled with joy, adventure, and unforgettable memories! Enjoy!*

Monica Snow, Vice President of Preservation Dayton, Inc. will share with us the *"Historic Preservation in Dayton - Benefits and Challenges."*

Question, do you know the names of Dayton's locally zoned historic district neighborhoods: **Dayton View Historic District, Five Oaks Historic Districts, Grafton Hill Historic District, Huffman Historic District, McPherson Town Historic, Oregon Historic District, South Park Historic District, St. Anne's Hill Historic District, Wright-Dunbar Historic District.** Dayton has numerous other National Register landmarks and places to live. Monica's discussion is quite interesting; and the Politics of it all is unbelievable. Join us for a thought-provoking meeting.

In Case You Missed It: The Presidents Club of Dayton's monthly meeting was on June 19, better known as Juneteenth, also known as Freedom Day or Emancipation Day, commemorating the announcement of the abolition of slavery in Texas on June 19, 1865. This day symbolizes the end of

slavery in the United States and is a time to reflect on the struggles and achievements of African Americans throughout history. We had an enriching event

featuring distinguished guest author **Kim Villalva** author of **"Lincoln: The Servant Leader!"** Her book provides a comprehensive look at the life and presidency of Abraham Lincoln, offering new perspectives on his role in shaping American history. It was a fascinating study of Lincoln's leadership skills which every successful leader should adopt today.

Also, our own long-time member and treasurer **John Keller** talked about the town he grew up in, Carthagen, Ohio. The village, located in Mercer County near Celina, was named for Cartagena, Spain and was once known as possibly the largest community of free African Americans in pre-Civil War Ohio. We had a lively discussion about the history of that community and the interactions between freed slaves and white settlers in these communities. Great exchange of information and thoughts.

Sinclair Community College and The President's Club of Dayton: 34 Years of Transformative Support for Students

DAYTON, OH – Sinclair Community College is proudly recognizing The President's Club of Dayton for its 34 years of unwavering support of students. Since 1990, The President's Club of Dayton has awarded nearly half a million dollars in scholarships to more than 60 full-time students pursuing degrees at Sinclair, providing them with life-changing opportunities to achieve their academic and career goals.

This year, the recipients of these prestigious scholarships will be honored at the President's Club of Dayton Annual Citizen Legion of Honor Award Luncheon. The event will take place on October 3, 2024, from 10:30 am to 1:15 pm at the Dayton Convention Center.

The President's Club of Dayton's commitment to education began with the establishment of its first scholarship in 1990, named in memory of Virgil C. Kitchen, a former President of the Club who dedicated many years of service to the organization. This legacy continued with the introduction of three additional scholarships in honor of Mildred C. "Millie" Sadauskas, who served as the organization's administrative secretary for over 30 years before retiring in 2013, Robert T. Leibold, a two-time President and one of the longest-serving volunteers in the organization's history, and Phillip L. Parker, a Past President and active volunteer since the early 1980s.

"Sinclair Community College is incredibly grateful to The President's Club of Dayton for its dedication to nurturing future leaders. These scholarships have had a profound impact on the lives of Sinclair students, enabling them to pursue their educational dreams and build successful careers," said Dr. Zachary J. Beck, Chief Development Officer – Sinclair Community College.

This year's luncheon will also recognize Thomas J. Lasley, II, Ph.D., as the 73rd recipient of the region's 2024 Citizen Legion of Honor Award. Dr. Lasley, Professor and Dean Emeritus at the University of Dayton School of Education and Health Services, has made significant contributions to education and policy advocacy. He currently serves as the Director of Policy and Advocacy for The Montgomery County Educational Services Center and Learn to Earn Dayton. Dr. Lasley holds bachelor's, master's, and doctoral degrees from The Ohio State University.

Here are some ways you can participate in National Wellness Month:

1. **Prioritize Self-Care:** Set aside time each day for activities that promote relaxation and rejuvenation, such as reading, meditating, or taking a bath.
2. **Adopt Healthy Eating Habits:** Incorporate more fruits, vegetables, and whole grains into your diet. Consider trying new healthy recipes or meal prepping to make nutritious eating more convenient.
3. **Stay Active:** Engage in regular physical activity, whether it's a daily walk, yoga, or a fitness class. Exercise is crucial for maintaining physical health and reducing stress.
4. **Practice Mindfulness:** Techniques such as meditation, deep breathing exercises, or mindful walking can help reduce stress and improve mental clarity.
5. **Connect with Others:** Strengthen your social connections by spending time with loved ones, joining a club or group, or simply reaching out to friends and family.
6. **Get Enough Sleep:** Aim for 7-9 hours of sleep per night to ensure your body and mind are well-rested and functioning optimally.
7. **Hydrate:** Drink plenty of water throughout the day to keep your body hydrated and functioning properly.
8. **Limit Screen Time:** Reduce the time spent on electronic devices to give your eyes and mind a break.
9. **Set Goals:** Establish wellness goals for the month, such as incorporating more physical activity into your routine or reducing your sugar intake. Track your progress and celebrate your achievements.

Participating in National Wellness Month can help establish lasting habits that contribute to a healthier and more balanced lifestyle.

Pickleball is a popular racquet sport that combines elements of tennis, badminton, and table tennis. It is played with a paddle and a plastic ball with holes, on a badminton-sized court with a slightly modified tennis net.

The benefits of pickleball include low impact exercise, physical activity, social interaction, and accessibility. No particular skill-set to begin this fun sport.

In Case You Missed It last month, Monica Snow, Vice President of Preservation Dayton, Inc. shared with us the "*Historic Preservation in Dayton - Benefits and Challenges.*" These neighborhoods include **Dayton View Historic District, Five Oaks Historic Districts, Grafton Hill Historic District, Huffman Historic District, McPherson Town Historic, Oregon Historic District, South Park Historic District, St. Anne's Hill Historic District, Wright-Dunbar Historic District.** Dayton has numerous other National Register landmarks and places to live. Monica's discussion is quite interesting; and the politics of the restoration of these properties was interesting. Her presentation makes one appreciate the thoughtfulness of homeowners in those neighborhoods and their motivation and love for historical properties. They remind me of people who love to live in quaint beach communities. It takes a special kind of person to want to preserve these wonderful edifices and homes.

This month's guest will be announced in the Evite invitation. Please RSVP as soon as you receive the email Evite invitation so that the Dayton Woman's Club can have an accurate count for our reservation.

September's guest will be Chief of Planning & Projects, Carrie Scarff from Five Rivers MetroParks. Prepare to discuss the 1.0 mil levy that will be on the ballot in November.

Happy Fall

As the leaves start to change, it's a great time to enjoy the beauty of nature in our MetroParks and celebrate the arrival of the fall season. September is a month full of celebrations and activities that bring our community together. Take part in activities and celebrate the spirit of our community this September!

•**Labor Day (First Monday in September):** A tribute to the contributions and achievements of American workers. It's a time for relaxation, barbecues, and enjoying the last days of summer.

•**National Grandparents Day (First Sunday after Labor Day):** A special day to honor and appreciate the wisdom and love of our grandparents.

•**Patriot Day (September 11):** A solemn day of remembrance for the lives lost during the terrorist attacks in 2001. It's a time to reflect on the resilience of our nation and honor the heroes who emerged during that tragic time.

•**National Public Lands Day (Last Saturday in September):** A day dedicated to volunteer efforts to improve and enjoy public lands. It's a perfect opportunity to get involved in activities at your local parks.

Wednesday September 18, 2024

We are excited to announce our guest speaker for the September meeting: Carrie Scarff, the Chief of Planning and Projects at Five Rivers MetroParks. With a career dedicated to enhancing the natural beauty and recreational opportunities in the Dayton area, Carrie will be discussing the upcoming MetroParks Levy that will be on the ballot this fall. In Case You Missed It last month, Extreme Weather with Austin Chaney. At our August meeting, we had the pleasure of hosting **Austin Chaney**, Chief Meteorologist for WHIO and Storm Center 7. Austin, whose passion for weather began at an early age, shared his journey to becoming a meteorologist. From giving weather forecasts on his school's morning newscast at the age of 12 to earning degrees in Atmospheric Sciences and Geography from the University of Georgia, his dedication to meteorology is truly inspiring.

During his presentation, Austin discussed the full spectrum of extreme weather phenomena that affect the Miami Valley, including tornadoes, flooding, heat waves, and snowstorms. He provided an extraordinary PowerPoint presentation that detailed the inner workings of the studio graphics, the resources used to predict weather events, and the demanding schedules that he and his team follow.

One of the most striking points from his talk was the level of stress associated with delivering bad news to the public—a challenge that is often overlooked. His insights were both informative and thought-provoking, offering us a deeper appreciation for the vital work that meteorologists do.

For those who missed it, Austin's presentation was an eye-opener and underscored the complexities and responsibilities that come with forecasting the weather.

A Successful Citizen Legion of Honor Luncheon

On Thursday, October 3rd, The Presidents Club of Dayton held our prestigious annual **Citizen Legion of Honor Luncheon**. This year's event was a resounding success, filled with moments of inspiration and celebration. We were honored to recognize **Dr. Thomas J. Lasley** as our 2024 Citizen Legion of Honor Award recipient. Dr. Lasley's significant contributions to education and community service have left an indelible mark on the Dayton region, and we are proud to recognize his ongoing efforts in shaping a brighter future for all.

Celebrating Our Scholarship Recipients

In addition to celebrating Dr. Lasley, we were thrilled to award **five scholarships** to deserving students from **Sinclair College**. Each scholarship amounted to **\$2,500**, helping these students further their education and achieve their academic goals. We are confident that their dedication and hard work will lead them to become future leaders in our community.

Special Thanks to Our Board and Committee Members

I would like to extend my deepest gratitude to **our Board members**, whose tireless efforts and commitment played a vital role in ensuring the success of this event. Your dedication is what allows us to continue recognizing outstanding citizens and supporting the next generation of leaders.

We also want to give a special thank you to **Phil Parker** and the **Selection Committee** for their excellent work in approving such an outstanding honoree, Dr. Lasley. Your careful consideration and hard work are deeply appreciated. Our event's success would not have been possible without the generous support of our sponsors and the active involvement of our member organizations and clubs.

Breast Cancer Awareness Month – A Vital Reminder

As we move through October, it's important to remember that this month is **Breast Cancer Awareness Month**. While breast cancer predominantly affects women, it is crucial to note that **men can get breast cancer** as well. Early detection can save lives, so we encourage everyone—both men and women—to stay informed, get regular checkups, and be aware of any changes in their health. Let's all take this month to raise awareness, support those affected by breast cancer, and encourage early detection efforts in our community.

In Case You Missed It last month: Carrie Scarff serves as the Chief of Planning and Projects for **Five Rivers MetroParks**, where she oversees all aspects of planning, capital development, land protection, GIS, and special projects. A graduate of **Ohio State University** with a degree in landscape architecture, Carrie spent a decade practicing privately in Columbus and San Diego before joining MetroParks in 1997. One of her early major accomplishments was managing the development of **RiverScape MetroPark** in downtown Dayton. Throughout her tenure, Carrie has spearheaded numerous initiatives, including the completion of key segments of the regional bikeway system, the development of MetroParks' outdoor recreation programs, and the creation and implementation of the **Dayton Riverfront Master Plan**. She is also heavily involved in planning the future evolution of Five Rivers MetroParks to enhance its benefits for the community.

Carrie discussed the **1.0-mill levy** that will be on the ballot in November. She explained the critical need for the levy and how the funds will be used to maintain existing parks and develop new green spaces for the public to enjoy. She also clarified the distinction between **MetroParks** and the **City's Department of Parks and Recreation**, providing insight into how each organization contributes to our community's recreational landscape.

Looking Ahead

As we move forward, we remain dedicated to our mission of recognizing excellence in community service and fostering leadership in Dayton. Stay tuned for more updates as we continue to work toward these goals throughout the year.

Thank you for being a part of The Presidents Club of Dayton. Together, we can continue to make a difference in our community.

From gathering around a beautifully decorated table to sharing a hearty feast featuring turkey, stuffing, cranberry sauce, and pumpkin pie, each element of the celebration brings a sense of comfort and nostalgia. Many families also take time before the meal to share what they're most thankful for, creating a moment of reflection and connection. Our guest speaker will be **Rodney Veal**, Producer of the PBS Special, **Willis "Bing" Davis: Reach High & Reach Back**. We are hoping that Bing will be able to attend.

If you think you know Bing Davis, this documentary will take you deeper, revealing the profound power of love, devotion, and moral conviction. 🎄 Spreading Holiday Cheer with the Presidents Club of Dayton 🎄

With Christmas just around the corner, the Presidents Club of Dayton is thrilled to announce our annual holiday initiative to bring joy and warmth to those in need. This year, we will be collecting toys to donate to the YWCA Dayton, with the goal of brightening the holiday season for children in their domestic violence shelter and their transition housing. Recognizing the importance of supporting the entire family, we'll also be gathering thoughtful gifts for the mothers, ensuring they feel the holiday spirit, too.

We're excited to collaborate with Twentig, Inc., whose partnership will help us extend our reach and impact even further. Together, we're dedicated to making this season truly special for the families at the YWCA Dayton. To see the YWCA Dayton "Wish List," go to the Link below:

Local Wreaths Across America Event Planned for Dayton National Cemetery

Volunteers help to Remember, Honor, Teach about our community's heroes.

DAYTON, Ohio — October 31, 2024—Wreaths Across America (WAA) volunteers and local sponsorship group Civitan Club of Dayton are working hard to ensure that all veterans laid to rest at Dayton National Cemetery are honored this December as part of National Wreaths Across America Day – Saturday, December 14, 2024.

In preparation for this annual event, Civitan Dayton is participating in WAA's \$5 back program, where \$5 of every \$17 sponsorship goes toward local efforts aimed at supporting at-risk youth and individuals with intellectual and developmental disabilities in our community. Proceeds from this effort will benefit local organizations including United Rehabilitation Services, Choices in Community Living, The Victory Project, Building Bridges, and the Montgomery County Sheriff's Police Athletic Association League (PAAL).

"Our mission has always been to make a difference in the lives of individuals and families who face significant challenges, and being a sponsorship group for Wreaths Across America allows us to do just that," said Mike King, President of the Civitan Club of Dayton. "Every wreath sponsored not only honors a fallen hero, but a portion of each sponsored wreath goes towards local organizations that provide vital support to those who rely on their incredible services."

"Every \$17 sponsorship made is a meaningful gift from a grateful American who knows what it means to serve and sacrifice for the freedoms we all enjoy," said Karen Worcester, executive director of Wreaths Across America. "We are so grateful to the good people of this wonderful community for participating in our mission to Remember, Honor and Teach."

Last year, ceremonies were held across the country at more than 4,200 participating locations, placing more than 3 million wreaths for interred veterans. This year Wreaths Across America Day will be held on Saturday, December 14, 2024.

The goal: to place a live, balsam fir **veteran's wreath** at the headstone of every American veteran to Remember their sacrifice, Honor their service, and Teach the next generation about the value of freedom. For more information, to donate or to sign up to volunteer, please visit <https://wreathsassamerica.org/pages/176123>
