DANCED ACROSS SPAIN

President Khadijah Ali gave him yet another well-deserved Exchange cup after he took us on a dancing tour of Spain with words and pictures. He is a dedicated world traveler (32 books) and has been around (all around) the world. In this case he and his family started at Madrid with a family from Chile (to help with the Spanish, among other things) and went 2,000 miles to see museums, castles, a Roman aqueduct, gardens, art and more. And, yes, he danced in some of those historical plazas. Marvelous!

Our prayers go out to all who were affected by the Virus that the Tornadoes that ravaged Montgomery and surrounding counties last year... We are equally Blessed/grateful for the out pouring of Neighborly support for those in need and all the money, water, food, toiletries that were given. We are very saddened by the unfortunate criminal act that took place in Minneapolis to George Floyd and the violence that followed in cities throughout the country including Dayton.

However, let us be thankful for the Sheriff's Department, the Police Departments, the Fire Departments, all first responders and workers who give their time providing medical and other services to our communities without regard to their lives.

Unfortunately, we could not Honor your Best Members at the "Presidents Club Volunteer of the Year Award Breakfast" for 2020. All events including the "Citizen Legion of Honor Award" have been canceled for the safety of everyone. However, we may have our regular monthly luncheons with Guest Speakers in the future and will let you know. In the meantime, if you would like the Presidents Club to use Zoom to provide you with programs like many of our members are doing, we would be happy to set up a monthly Zoom program. These work well like Miamisburg Lions, Civitan Club of Dayton, Dayton Arab American Forum, and others have been doing.

President Khadijah Ali was recently admitted to the hospital for a mild heart attack. Her condition is not known at this time but your prayers for her quick recovery is important for her healing.

There are events in this newsletter including free use of The Presidents Club of Dayton's Zoom Application offered free to Members of the Presidents Club of Dayton. Please verify that your dues have been paid. Instructions below.

Dear Friends of Dayton;

We are raising money for the Food Bank of Dayton and your contribution will make an impact.

DAAF and an anonymous donor, will each match contributions up to \$1,000. We are utterly appreciative of our community's generosity as in just one day, we were able to reach \$1,100 through a Facebook fundraiser we have established. With this, the food bank can now receive \$3,340!

However, the pandemic has left too many families and too many children hungry in our region. Join us in supporting our community during these hard times and help us grow our contribution from \$3,340 to much more.

Whether you donate \$5 or \$500, every little bit helps! You can make a difference right now and contribute at [DAAF's FB Fundraiser](#). If you don't have access to Facebook, you may make your donation at [DAAF.org/#donate](#). DAAF will add all amounts received outside Facebook to its \$1,000 check.

Donations will be accepted through June 6. We are all in this together!

Sincerely,

Lamees Mubaslat

United States. Hard evidence supporting these accusations are hard to come by; her guilt is determined based on what people think about her. After a very public trial that put her in bed with a Taliban operative, she is exonerated due to lack of evidence. Still...the news hung her out to dry. In the hopes of fading away, she embarks on an extended trip to Nunavut--a mystical and remote area under the northern lights. In a prophetic turn of events, she catches the eye of Hollywood's hottest leading man, James Bayer. Against her better judgment, she lets down her guard as he falls under her spell. They are on opposite trajectories; he loves the red carpet. She wants to hide underneath it.

Catch a Falling Star was published in 2015, The Path of Least Resistance in 2016. The books can be read in either order. If you like a cliffhanger, read Catch a Falling Star first. Chronological? Then, The Path of Least Resistance will be book #1 for you. Either way, you will be flipping through the pages to get to book #3 Before the Fall.

Everyone Stay Safe and Practice Health

There are many reasons to celebrate, to be thankful grateful and proud. Everyone is praying for a cure for COVID-19; I want to see the numbers decrease instead of the daily reported increase of people infected. Be safe practice healthy, wear your face mask and practice social distancing....I repeat....

**I am feeling so much better, making lifestyle changes to stay healthy. Thank you, everyone for the visits, cards, flowers and please keep the Prayers coming...I pray for you Pray for me, Continuously!
Enjoy your families during the holidays.**

One of the major reasons I am Proud to be an American is; when tragedy/crisis strikes, American citizens come together, do what they can to help, and show their support. So why are you proud, there are so many more reasons, yet the capacity to help my fellow man is one of the major reasons I am proud!

Our next meeting will be a Zoom PCoD Board Meeting July 16th and maybe a meeting with a program August 19th at the Masonic Temple.

I don't know if you all saw the obit of Clark Beck who passed away a few weeks ago. Our sympathy is with his family. Clark Beck had many First's, he was also a Citizen Legion of Honor Award Recipient.

Happy Fourth of July everyone!

“Be the Change We want to See in the World”

Gandi Quote

Recovery, Change, Healing, Our Community

Coming together is the true spirit of Communities working together to Heal and Change. This is also a testament of the Mission Statements of all our Clubs and our members. There is a “Cause” a reason to address social concern in the world today and I am honored to be amongst a group of service clubs that say....”How can we help?. How can we be supportive? And we DO IT! Be that change we want to see in our communities!

I leave you with this quote:

1. The version found written on the wall in Mother Teresa's home for children in Calcutta.

I share the last four verses

If you find serenity and happiness, some may be jealous. Be happy anyway.

The good you do today, will often be forgotten. Do good anyway.

Give the best you have, and it will never be enough. Give your best anyway.

In the final analysis, it is between you and God. It was never between you and them anyway.

Speakers

Join the Presidents Club on August 19th at 11:30AM for a special presentation by Dr. Ronald Fletcher on COVID-19 and AIDS. Dr. Fletcher will share with us his research and comparison of both the COVID-19 virus and the AIDS virus. Everyone who has heard this presentation says it is highly informative and they were glad they heard it. Details to Zoom end of newsletter.

Please share with all your members and friends. Anyone can attend. You do not have to be a member of a member club or even a member of a service club to attend. This will be a Zoom meeting, so fix your lunch and log into Zoom to attend. You can attend via computer or phone, whichever you prefer.

2020 Bob Chiles Golf Outing summary

We held our 40th annual Bob Chiles Golf Classic on July 10th this year at the Beavercreek Golf Club. We had a beautiful day with only a short rainfall to help cool things off a bit. This year we had a total of 84 players. Due to restrictions we did a split tee start this year which went off beautifully. We were able to bring in a total profit of \$11,768 this year! \$7,061 of that was donated to both the Fisher House and First Sergeant's Association. This brings our total donations for Fisher House to over \$148,000 and First Sergeant's Association to over \$9,000. Although this was an unprecedented year everyone seemed to have a great time! We are looking forward to next year's outing which will again be held at Beavercreek Golf Club on May 14, 2021.

Organization Speaker Programs - Community Information Leaders

To support our PCoD members and the public, this section provides a list of area information leaders, whether they be not-for-profits; elected officials and/or specific topic experts. These individuals, if contacted, may make themselves available to speak at club meetings or special events and share important programs, projects, issues or topics with audiences about our community and perhaps where additional volunteer leadership can play an important role in the success of these programs.

This list may change from time to time to keep it updated. But it is a great reference guide to many areas of arts, social services, business, government, and education in our community.

December 2020 Newsletter

Dear President Club Members and Friends,

This has been a year to forget, never have I lived through a time as bad as 2020 that I can remember, the best economy ever for 3 months and the stock market out of sight and all of a sudden everything crashed on us and the world. This virus that no one can see did more harm including Millions of infections and over a quarter of a Million dead. It destroyed Millions of jobs and helped put Millions of the people in this country and the world in food lines.

Destruction of cities and businesses through demonstrations because of actions by a few bad apples in the police force was a catalyst to launch the BLM, and we pray this is all going to be resolved soon so we can get on with our lives.

However, with everything that has happened, miracles are happening that no one thought could happen. Vaccines that would take years to develop and release have taken months not years to develop and approve. Countries working together have discovered the technology to do all this through miracles. You can see on the news the warm hearts of people coming together to help one another. Your Prayers are welcomed to bring this year to a close and to start a much better year in 2021.

Come Join the Presidents Club of Dayton for a Zoom Presentation!

Our Zoom meeting is Wednesday, 16th beginning at 12:00 pm. and ending at 1pm. The Masonic Temple has closed because of Ohio's regulation regarding Covid-19.

The program is presented by Ms. Jan Lepore-Jentleson,
