October 2025

On behalf of the Miami Valley Military Affairs Association, I would like to extend our greetings to the Presidents Club of Dayton membership. I hope this letter finds you all doing well and still enjoying our Summer weather (even though we're well into September!).

With the goal of MVMAA being to support and foster relationships between our military installations and surrounding civilian communities, this past couple of months have once again provided MVMAA several opportunities to directly support the Airmen and Guardians at Wright-Patterson Air Force Base and Springfield Air National Guard Base. Here are just a few highlights:

MVMAA President Brian Jarvis was honored to attend the annual ceremony at the National Museum of the U.S. Air Force recognizing WPAFB airmen selected for promotion to chief master sergeant. CMSgt James "Bill" Fitch, command chief of AFMC and guest speaker for the ceremony, shared personal stories that shaped his leadership philosophy. CMSgt Tessa Fontaine, 88th ABW command chief, also congratulated the newest chiefs and encouraged them to embrace their new roles with pride.

MVMAA takes special pride in that two of our key members – Brittany Sommers-Woods and Ralph Anderson were recently recognized and received awards at the Presidents Club of Dayton's Outstanding Volunteer of the Year award ceremony. Both Brittany and Ralph are very active community volunteers, both representing what it means to be a true servant leader.

MVMAA was pleased to co-sponsor with the Presidents Club of Dayton on a very successful 45th Annual Bob Chiles Golf Classic (with 128 golfers teeing off!). Proceeds from the golf outing go to support the WPAFB and Dayton VA Fisher Houses, First Sergeants Council, 178<sup>th</sup> Air National Guard, and other Base and Community-related activities. We are proud to support these organizations at WPAFB and Springfield ANGB. The top finishing teams of the golf outing are posted here.
